Prerequisite: [Gateway Voyage®](#) Or [Online Gateway Experience®](#)

Join Dr. Gallenberger and TMI's team of highly skilled trainers for a 5-day/6-night exploration of expanded consciousness, intention and manifestation. This program uses Hemi-Sync® (Focus levels 10 through 27) experiential exercises, affirmations, and visualizations to help you **powerfully focus your mind and energy to influence physical matter.** During this one-of-a-kind course, you will explore using your intuition to perceive potential realities, select the desired outcome, and finally, manifestation.

**Expand your belief systems.
Learn to influence matter with your mind and focused energy.**

The MC² program focuses on engaging the heart, mind, and spirit. In this program you will:

- Refine and strengthen your manifestation skills
- Practice using visualizations and affirmations to focus your thoughts and energy
- Learn the principles behind patterning, manifestation, and psychokinesis
- Enjoy exercises for hands-on metal bending, illuminating light bulbs and more
- Learn how to focus your intention to achieve desired outcomes (dice exercise)
- Participate in group healing circles for yourself, friends, and the Earth

Witness and experience firsthand the power of your mind and focused intention.

I AM READY TO EXPLORE!

Don't take our word for it.
Here are what past participants have to say about their experience in this transformative program.

"Great opportunity to heal body health concerns and manifest my heart's dreams." - K.R.

"Pick your best set of positive adjectives to describe this course. They all fit. It provided the setting where I received validation of contacting my wife who had crossed over ten months previously." - J.L.

"This program offers much more than what is in the description. Not only did I get validation that PK is real by bending a spoon and lighting a light bulb, but I learned many tools to use in my life. I was able to release a lot of my fears and beliefs that have been holding me back. By learning how to connect my heart with source, I experienced unconditional love, over and over." - T.M.

"Great program to learn to open your heart to learn and accept manifesting and abundance." - J.P.

"Magic is real. TMI teaches it." - B.E.

"This was a fantastic experience! I received tremendous healing and unleashed creativity in surprising and unexpected ways! Two thumbs up!" - C.R.

"I sincerely believe, no matter who you are, no matter where you come from, that participation in this course will translate into a positive direction in your life, and I encourage you to consider attending." - R.T.

"When I say that part of my MC2 experience involved tapping into psychic power to perform healing, control dice throwing, bend spoons, light up a light bulb, and germinate seeds spontaneously in the palm of my hand, you may have various reactions: astonishment, disbelief, awe, curiosity, doubt, or judgment. My final attitude was a combination of awe, joy, and profound gladness and gratitude for the opportunity to share this awakening, living dream." - D.T.

"Through raising our heart energy and eliminating personal blocks that prevented being in a connected, loving space, we learned the amazing truth of our personal capabilities." - T.K.

"I have assisted in teaching his courses for over ten years. As a result, I have witnessed countless miracles of manifesting and healing that go beyond logic and move into the realm of the magical." - P.R.

"As I reflect on my experience during MC², I think of the connection. What I received most was a connection with the group around me, and most importantly, with myself. The goal, as I see it, was to bring our personal power into our everyday lives and know the abundance of the source from which this power comes. MC² taught me an extremely valuable lesson: that what we focus our energy most strongly on we end up creating." - F.P.

"I love the Monroe Institute. The programs create a perfect environment where one can attend in a sacred space, and achieve personal transformation. TMI is unlike any other personal development organization. It is unique and helps change the lives of those that attend." - A.F.

"I have grown exponentially with each program I have taken at TMI. MC2 is the one that has given me the most tangible experiences so far!" - L.R.

"The Monroe Institute provides a unique opportunity to explore the mysteries of life; allowing each participant to independently reach their own truth in a safe and sacred environment while being fully supported by amazing facilitators and very caring staff." - C.A.

Release limiting beliefs. Discover the infinite possibilities of your human existence.
